

MANAGEMENT TEAM'S PROFILE

Dr. Zainab Shinkafi-Bagudu

Chief Executive Officer

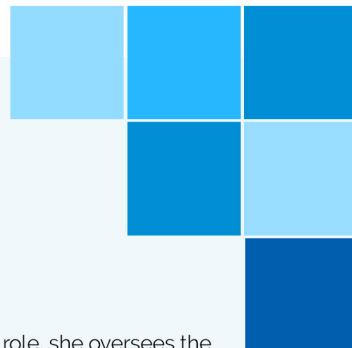

Dr. Zainab Shinkafi-Bagudu is a Paediatric Consultant, a loud voice in the fight against cancer and a child's right advocate. She obtained her MBBS (Bachelor of Medicine) from the prestigious Ahmadu Bello University Zaria followed by a specialist training in Paediatrics and Neonatology in the United Kingdom. Amongst other academic qualification, she has a Master's degree in Paediatrics, a Diploma in Tropical Child Health and holds membership of the Royal College of Paediatrics and Child Health.

After her specialist training abroad, she returned to Nigeria in 2002 to set up and head the Paediatric Unit of Garki Hospital under a pioneering Public Private Partnership (PPP) scheme with the Federal Capital Territory, FCT. By 2009, she branched into private service with an innovative Diagnostics Centre, Medicaid Radio-diagnostics. The centre bridges the healthcare gap created by paucity of diagnostic tools in the region. Being the Chief Executive of Medicaid, Dr Bagudu is also the founder of Medicaid Cancer Foundation (MCF), which creates awareness and funds diagnosis, and treatment of the common cancers in Nigeria. MCF has become quite famous for holding an annual one million-walk away cancer fundraiser.

Dr. Bagudu is passionate about bringing attention to the inequalities of cancer care in the global south and convinced that accelerating improvements requires synergy between policymakers, the private sector, and advocates. She currently serves on the board of the Union for International Cancer Control (UICC) towards this objective.

Dr. Bagudu sits on the steering committee of the National Cancer Control Programme and Cancer Health Fund, both under the auspices of the Federal Ministry Health.
